Foreword

We have come to the end of another school year at Alvarado and for some of us it is the last. Along with the closing of this school year comes the 69 WARRIOR. We have tried to include as many of the special events and activities as possible.

There is a lot of work involved in gathering material to produce an annual. For many years there have been annual staff members causing interruptions; therefore, on behalf of the staff, I would like to take this opportunity to thank everyone for their patience and co-operation. We would especially like to thank Miss Sayers for her guidance over the past month.

This is it, the finished product *THE '69 WARRIOR.* We have enjoyed putting it together, and we hope you have as much pleasure reading and looking through it. It can bring hours of enjoyment many years from now for you and yours.

LUCK TO 1969.

The Editor,
Janice McLeroy

Coach

Parker

Dedication

Because of his devotion to the students and faculty of Alvarado High School, we, the annual staff, dedicate the 1969 Warrior to Coach Larry Parker.

Since the 1966-67 school term, his first year as a faculty member at A.H.S., he has taught Jr. High History, High School Geography and is presently teaching High School American History. In addition, he has served all three years as Head Coach of the Alvarado Indian football team. In connection with his job as head coach, he sponsored the "A" Association in 1967.

Coach Parker has given freely of his time and energy to lead the Indians to a 9-1-0 season record this year.

For this and for his help and understanding to all students at A.H.S., we want to take this opportunity to say "thanks."

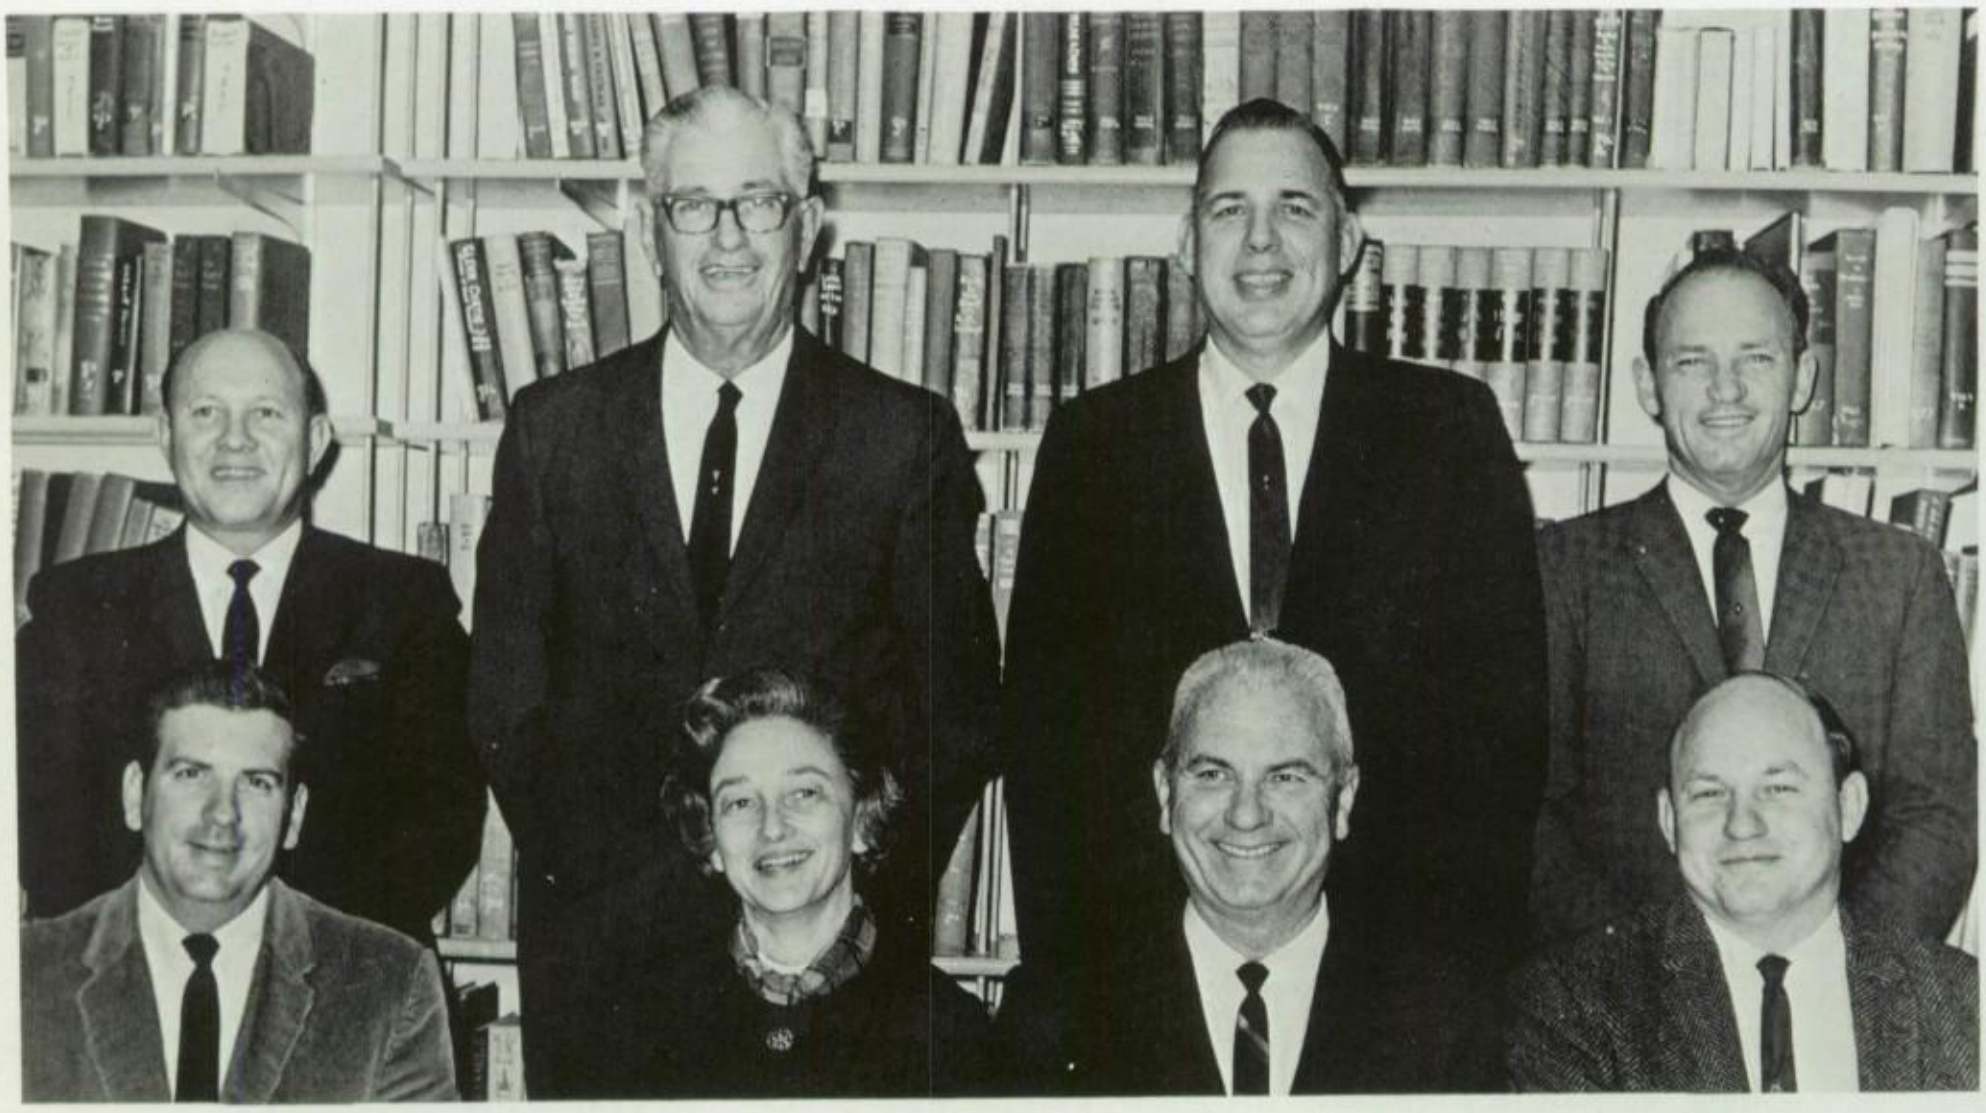
School Board



Mr. John Percifield, Miss Julianan Cowden, Mr. Charles Head, Mr. Billy Walker, Rev. G.C. McGlothin, Mr. Hansel Walters (resigned), Mr. Calvin Mahanay, Mr. J.C. Smith.

Our school board is composed of a group of citizens who give unselfishly of their time and themselves to promote better education and welfare for the students in the Alvarado Schools. It is through their ideas and decisions that our school has come to be what it is today.

We appreciate all their efforts to better our school system and help us further our education.

Thank you,
'69 Warrior Staff

Superintendent's Message

Friendship is needed and desired by everyone. A friend is a person that one is attached to by esteem, respect, and affection. In order for people to become friends, one person or the other has to take the first step. This is often accomplished by a kind act, a compliment, or just a smile. Once friendship is established; it must be cultivated if it is to flourish or grow. We would choose those to be our friends who are honest, sincere, sympathetic, kind, understanding, tolerant, and of good character in general. When we expect these characteristics in our friends; then we must first develop them in ourselves. Friendship knows no barriers such as age or economic status; it is to be honored and cherished—never betrayed.
